Line Wrapped Label:

This is an example of a line-wrapped label. It should not be taking up the entire width allocated to it, but automatically wraps the words to fit. The time has come, for all good men, to come to the aid of their party. The sixth sheik's six sheep's sick. It supports multiple paragraphs correctly, and correctly adds many extra spaces.

Filled and Wrapped Label:

This is an example of a line-wrapped, filled label. It should be taking up the entire width allocated to it. Here is a sentence to prove my point. Here is another sentence. Here comes the sun, do de do de do. This is a new paragraph. This is another newer, longer, better paragraph. It is coming to an end, unfortunately.

Underlined Label:

This label is underlined!
This one is underlined in quite a funky fashion
